VIRTUAL AWARDS CEREMONY – 6:45 PM

Due to capacity limits, there will be only one awards ceremony at the end of the competition. This will be a virtual awards ceremony that will be live on our Facebook page at 6:45 PM.

Please like us on Facebook @ucecheer

No spectators or athletes will be allowed into the hall for awards.

Team/program representatives will only be allowed into the hall.

All teams will be recognized during the virtual awards ceremony.

Please understand that we wish we could have live awards, or multiple ceremonies, but due to the limited capacity, this is just not an option. Thank you for your understanding!
